# COLORFILL

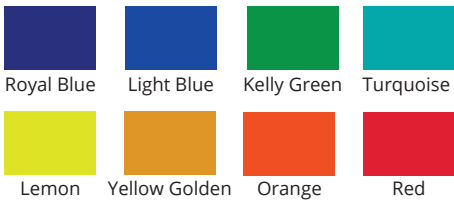

## TRANSLUCENT VS. OPAQUE

One way to make an award unique is by adding a POP of color. For an additional charge, you can add colorfill to logos, messaging, names, and titles on any award or gift.

### TRANSLUCENT

Translucent colorfill lets light shine through.

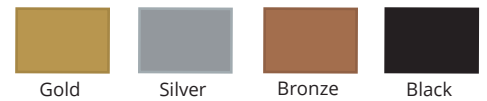

#### TRANSLUCENT

### OPAQUE

Opaque colorfill stands strong and vibrant, letting no light shine through.

#### OPAQUE

## MEMORIAL

The Encapsulate™ Gallery makes a beautiful memorial keepsake - with or without cremains. You can use photos and messaging to honor a beloved person or pet. The Encapsulate™ awards can hold ashes, but the cylinders can be used for other contents as well. Hair, buttons, beads, sand, rocks, or other non-liquid items are all safe to place in the cylinder.

**STEP ONE:**  
Send us a picture!

**STEP TWO:**  
We turn it into a 3D model  
and laser engrave it!

## INNOVATIVE

Celebrate any achievement, event, or industry with our Encapsulate™ products. A 3D subsurface imprint highlights the achievement or event, and the hollow cylinder can be filled with any non-liquid material that's meaningful to the recipient or representative of the industry.
